

## Teacher Accreditation

Teachers accepting permanent employment in South Australian Catholic Schools are required to complete

- 1) An Induction Module (formerly known as Accreditation A) in their first year. Information about the module can be found at this link:  
<http://online.cesane.adl.catholic.edu.au/docushare/dsweb/View/Collection-3294>
- 2) Four semester-length approved tertiary units in Catholic Studies. These courses may include the Graduate Certificate in Catholic Education, the Catholic Studies sequence in the Bachelor of Education at UniSA, Master of Catholic Education, Master of Theological Studies and Master of Educational Leadership (ACU).

A period of grace was given to teachers who commenced teaching before 1/1/04 to complete their Accreditation requirements under the 1989 SACCS policy (Accreditation A&B), **which concluded on 31/12/06**. All teachers who have not yet completed their Accreditation requirements will now have to do so under the 2011 Teacher Accreditation Policy.

For further information see the Teacher Accreditation Policy at this web address
